Description	
<i>Provide a short description of the event and its activities.</i>	

During the implementation of the tender, we focused on the issue of European integration on the part of the member states. During the 6-day meeting, we dealt with current European topics several times, especially the neighboring Ukrainian-Russian war and its effects on the people living here. Among the invited guests, guests from Hungary, Poland, and Romania, as well as representatives of neighboring countries, reported on their own experiences. In addition, migrant policy is also a current issue. As a border settlement, we experience the arrival of immigrants to Slovakia on a weekly basis, and we discussed this topic with representatives of countries with similar experiences. At the end of the meeting, we came to the conclusion that we will apply these shared topics and experiences in our own region when we return home.

The programs relate to main priorities:

- *Debate on the future of Europe - 30 years of democracy in Slovakia*
- *Intercultural dialogue, the stigmatisation of migrants and minority groups*
- *Understanding and debating solidarity.*

Within the event this most important concrete results will be achieved:

- *Mutual motivation - Presentation of the activities of each organization, which is closely related to specific topics,*
- *Lecture involving the citizens of partner communities about active European citizenship, active civic participation in local democracy*
- *Film screening and discussion about mutual motivation in terms of future cooperation,*
- *Intellectual competition between teams of villages,*
- *Workshop*
- *Presentation of partner organizations,*
- *productions of amateur art groups, folk groups and soloists from invited delegations,*

The points listed in the program will bring tangible results in many ways:

- *new relationships are formed between local governments, NGOs, entrepreneurs, and especially between citizens and families.*
- *Sport and intellectual competition, cultural programs will encourage especially the young generation for develop relationship.*
- *Recognize the possibilities in EU for benefit to the communities and regions on future.*
- *Professional experience from interactive communication and workshop, using this experiences will help the professional development of each partners.*

This event is a big, regional program, so it will have positive influence to the citizens, activates them to the common activity, they consider the possibilities of cooperation with create a non-profit organizations, forming alliances, engaging in cross-border programs.

Citizens of EU countries will accept european ideas and cooperation during the events, wich would have direct impact to the populatiry of EU, and faster accepting of EU policy.
